Dear Miss Morgan:

Your note of January 4th is at hand. Whether through some fault of our filing system or otherwise, I cannot say, but we cannot trace a reference to your former membership. Might I suggest that it would simplify matters if you could sign the accompanying card, and permit me to present your name at the meeting of the Council which takes place on Friday, January 13th. This would enable you to receive notices of our medals as soon as the subscription is opened, and keep you more fully in touch with our activities.

Very truly yours,

Secretary

Dear Madam:-

I have the honor to inform you that at the
last meeting of the Council you were unanimously
elected an Associate of The American Numismatic Society
upon the nomination of S. P. Roe.

At that meeting there was a vote on the
proposition permitting me to fill further orders for
Fech Medals. Do you still desire the three bronze
one about which you wrote me?

When you visit our Museum, if you will
make yourself known to me it will give me great
pleasure to have you see our collection in a way which
we can not make possible for the general public.

Very respectfully yours,

Secretary.
